NORTON & CUCKNEY
VILLAGE HALL

REGISTERED CHARITY NO. 1041895

COMMUNITY NEWS
VILLAGE HALL SPECIAL

JULY/AUGUST 2024

From the Chair - Village Hall Trustees

Hello everyone, my name is Conor and I am the new Chair of Norton and Cuckney Village Hall Trustees. For those of you who don't know me, I've lived on the Welbeck Estate most of my life and my family have been proud to be involved with the area for many generations. I became a Parish Councillor last year and I've always seen the Village Hall as an important building in our community.

I would like to thank everyone who has been involved with the Village Hall over the years, as it is thanks to your tireless efforts that I have so many happy memories associated with the building.

In recent years there have been plans to move the Village Hall to a new location, along with building a community car park. With rising costs and limited funding, this project is still many years away. In the meantime, the current village hall has struggled, losing its heating system along with regular bookings, as well as with other issues.

This has been a contentious issue for some time, but if a new Village Hall is not feasible and the current one is left to fall into disrepair, nobody wins.

However, the Parish Council, led by Nancy Wright, realised something must be done. We, as a Council, want to make our Parish the best place to live and the permanent closure of the Village Hall would be a huge loss.

A new group of trustees have met several times and we now have a closer tie to the Parish Council, who are Corporate Trustees. We all have different backgrounds and interests, but we all care very deeply about the future of the village hall.

**We initially have one goal and one goal only:
Keep the current Norton and Cuckney Village Hall open.**

Polling Station Change

The General Election polling station for Norton and Cuckney on 4th July 2024 will be Norton and Cuckney Village Hall.

Please remember to bring your voter ID with you. For information on voter ID, please visit the Electoral Commission website

Volunteers clearing the weeds away from the front of the Village Hall

So, what do we plan to do? Well, we've already started. I cannot thank Gemma Palmer enough for her outstanding fundraising efforts! The Yorkshire Three Peaks are formidable, but Gemma smashed both her target time and her fundraising goal. We've already had two successful days giving the hall some much needed TLC and I'd like to thank everyone for their efforts so far.

The D-Day event also raised over £200 for the Village Hall, with most of the fundraising on the day, quite rightly, being donated to the Royal British Legion. The building will also be used once again as a polling station in the upcoming election.

You probably can't miss it (given the garish pink flyer), but we are running a quiz night which will be a fantastic opportunity for us all to come together. I hope it will be an enjoyable event for all and a fun competition. We are also planning other events, some returning favourites and new ones, so there will be something for everyone, which is exactly what the Village Hall should be!

That's what we are trying to achieve. To have a space for the community to use, whether it's somewhere for local groups to meet, a special event, a party or anything else in between. We want the hall to reflect the community it serves.

However, until this point, we have been a very small group, thinking of ideas, looking for solutions, volunteering our time and effort towards restoring a community asset that we hope everyone would like to see back up and running to its former standards. I would now like to encourage everyone to get involved, as the Village Hall should be shaped by the demands of the people who use it.

Even if it is something as simple as sharing an idea, attending the events, donating a raffle or quiz prize, or volunteering your own time, we want to involve you in this project. Whether you are reading this in the Parish Newsletter that was posted through your door or on our Facebook page, you are a member of the community, and it will ultimately be the community who decide if this project is viable.

Let's make the Village Hall a welcoming, positive and friendly place to be, just like the Parish it is located in.

Conor Marples, Chair, Norton and Cuckney Village Hall

D-Day Afternoon Tea and Film

How wonderful it was to see friends old and new and so many of you who have loyally supported 'Afternoon Tea at Home' since its inception during the pandemic.

With many thanks to the hard work and generosity of the Parish Council, whose members set up the hall, organised and underwrote the screening of *The Great Escaper*, and with sobering thoughts of the enormous gratitude we shall forever owe to those who selflessly took part in the

Normandy landings, we were able to enjoy an afternoon in which we could share time together and mark the day with a real sense of community and fun.

I can't thank the 'tea ladies' enough for their efforts when time after time they come up with tasty menus, rise to new challenges and always refuse to take out the true costs of the delicious fare that they prepare. Thank you, Sheryl, Margaret, Georgina and Judy.

As a result of their dedication and your generosity, ***I am delighted to tell you that the D-Day teas raised £470 for The Royal British Legion***, including Jenny Chappell's generous donation for the ice-creams and which has provided an additional £30 donation for the hall's fundraising.

Moreover, I am excited to tell you that this takes the total distributed to good causes since 'Afternoon Teas at Home' began to £10,066.72. Thank you one and all.

Cathy Brown

It was so lovely to be able to welcome members of our Community to the Parish Council's very special event on 6th June, commemorating the 80th Anniversary of D-Day. The hall was full and buzzing with activity - which was fantastic to see.

The cinema equipment was rented from a laudable organisation called 'Cinema for All', based in Sheffield. I cannot thank them enough for their efficiency and great service.

But its thanks to Cllr. James Palmer's teenage years acting as a roadie for a band that we managed to work out the cabling for the speakers. Putting the screen together was, looking back on it, quite logical but it did require some muscles!

The film itself was poignant and beautifully acted. If you couldn't come along on the day, I'd thoroughly recommend your watching it.

I would like to thank the Tea Ladies for the wonderful afternoon tea and for organising the hot drinks. It was absolutely delicious as always.

£187 was raised for the Village Hall's funds from the raffle. Many thanks to Sheila Brailsford and Vanessa Morris - who stepped in at short notice - for organising this. An additional £35 was donated for the 3 Peaks Challenge Fund (see page 12) and £30 was raised from the sale of ice-creams.

Cllr. Nancy Wright

Plant and Craft Fair

The Plant and Craft Fair took place this year on the 27th April at Lady Margaret Hall and was a storming success.

The Villages of Welbeck Association raised an overall total of £1426.20. £665 came from donations made for the wonderful cakes alone. Thanks to all the cake ladies for their sterling efforts. Thanks also to Katie Shaw, Steffi Wilson and their kids, who manned the Tombola and raised £142. The sales of plants and jams brought in £507.20.

The Plant and Craft Fair is a huge favourite every time that it's run and that is thanks to the energy and enthusiasm of all the volunteers who give up their time to help us out. The stall-holders had a fantastic and a diverse array of goods and we hope they too enjoyed their day.

Villages of Welbeck Association

New Noticeboards

The Parish Council is pleased to announce that two new noticeboards have been installed in Holbeck. The one pictured above has been installed outside the Post Office and the one below on Holbeck Lane.

A polite reminder that the parish noticeboards are for official notices, statutory notices and community information notices only. Please do not post any other information in or on them.

The newly installed portrait of King Charles III in the Village Hall suitably bedecked for the occasion

Cathy Brown getting into the spirit of the 1940s serving ice creams in the interval

Cuckney Play Park

Thank you to everyone who has been in contact with me about the playing field, not just about new equipment, but also accessibility and many other topics. As promised, we now have a fantastic drawing of the proposed plan which we

can share with the community!

This image and others are a vital step in showing prospective funders our vision, hopefully unlocking the grants which will be required to complete this work.

We hope they will see the recreational, fitness and wellbeing benefits that this equipment will provide to the younger members of our Parish, the children of Cuckney School, as well as those who visit our beautiful villages.

It is thanks to Councillor Nancy Wright, who kindly volunteered to meet twice with PlayDale, that their designs allow us to share this vision.

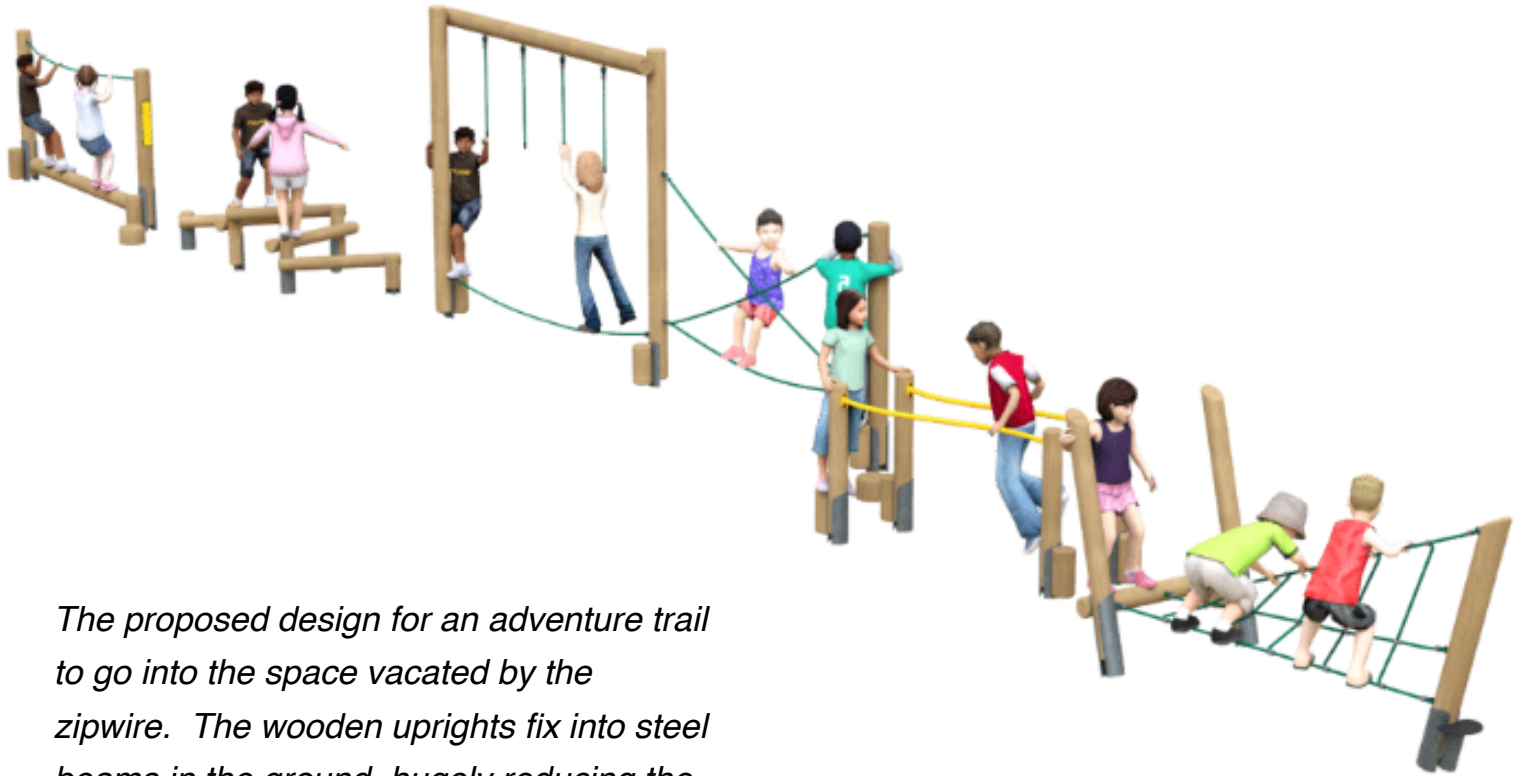

However, grant funders also have very stringent criteria, which must be met, no matter how positive the benefits of a project are.

In the background for many months now, the Parish Council, the Welbeck Estate and Cuckney School alongside Nottinghamshire County Council have been negotiating a new lease for the playing field.

All parties wish to improve the current lease, which is now just on a rolling basis. Grant providers, just like all the parties involved, require a long term solution. As a result, I hope and believe, that this matter will soon be resolved, as everyone wishes to continue to benefit from the playing field.

The new lease will also provide stability, enabling further investments backed by funders in the future, hopefully allowing as many of your suggestions to be made a reality.

Cllr. Conor Marples

The proposed design for an adventure trail to go into the space vacated by the zipwire. The wooden uprights fix into steel beams in the ground, hugely reducing the risk of rot and increasing the life-span of the equipment.

The History Group

In May, members and guests enjoyed a very entertaining talk entitled Nelson's Mistakes & Mistresses given by Tom Fremantle.

At June's meeting, members gathered around 6 tables of old photographs and documents of the locality supplied by members. Many thanks to Morven for his contribution to a most interesting evening.

On Thursday, 11th July society members and guests are visiting Hardwick Hall. As the Old Hall does not open until 11am, participants are requested to meet up at the Village Hall car park at 10.30am. As we will be travelling independently by car it would be helpful if members could sort sharing transport before the day. If anyone requires any advice regarding the visit or has transport needs please get in touch with me on 01623 381989. On August 12th Ian Morgan will give a talk entitled Kings and Highwaymen, this to be held in the Village Hall at 7.30pm. Usual charge of £5 to include light refreshments.

Village Hall Fundraising - Quiz Night

Come and join us for a night of quizzing, prizes, pies and peas!

We'll serve the pie and pea supper shortly after 7pm, giving everyone the chance to get settled, work out their teams and visit the raffle table.

When everyone is ready and your quiz team names have been handed in, we'll thank our amazing caterers, go through the rules and look at what our winners could be taking home! After the first 25 questions, we'll have a break for the raffle to be drawn and see who our leaders are before the second half. You'll also have chance to vote for the best team name, who will get their prize too.

We're then into the business end of the quiz and once the last question has been read out, we'll let you know how much you have all helped raise!

The hunt for our winners is then on, but don't throw away your answers if you're not too confident, there's a prize for the lowest score (as long as you've got at least 10 right, no blank quiz sheets!)

If you would like to help with the quiz, please contact us regarding raffle and quiz prizes, sponsoring a question round, or even the entire quiz! Everyone can play their part, so please help our Village Hall in any way you can.

Conor Marples, Chair, Norton and Cuckney Village Hall

St. Winifred's Bench

The Parish Council recently received a request from St. Winifred's, Holbeck for the replacement of a bench outside the church.

The bench is now in place. Here it is being tastefully modelled by The Revd. Nigel Stones.

YOUR COMMUNITY
NEEDS YOU!

Have you thought of becoming a Parish Councillor?

There are currently two vacancies on Norton, Cuckney, Holbeck and Welbeck Parish Council.

Whilst the commitment can be challenging at times, the role is highly fulfilling, and it is worth it for what you can achieve for your community.

The amount of time you spend on your duties as a councillor is largely up to you and will depend on the different roles and commitments you wish to take up.

The Parish Council meets for its full meeting on the 2nd Thursday of every month.

If you'd like more information or would like to apply to become a Councillor, please contact the Parish Clerk (email only at present).

Environmental Crime

Parish Councillors Nancy Wright and James Palmer, along with District Councillor Charles Adams, have recently met with officers from the Environmental Department at Bassetlaw District Council to discuss our concerns regarding fly tipping and dog fouling within the parish.

We explained that we have unfortunately seen an increase in incidents and informed them of the current hotspot areas. They were aware of several of the fly tipping hotspots as these have historically been targeted by offenders and explained what actions they had taken in the past. We acknowledged that BDC are good at promptly removing the waste when reported, but we needed to see a proactive approach to prevention.

They agreed to look into the possibility of deploying surveillance cameras in the area and to target areas based upon actual reports of incidents. They said they are willing to use third party evidence and if a councillor or member of the public has any evidence or information they would be happy to receive that. They confirmed that all fly tips are checked for evidence when the waste is collected. It was also agreed to look into the possibility of signage in hot spot areas.

A recent flytip on Cockshut Lane between Langwith & Holbeck - one of the regular hotspots for fly-tipping in the Parish.

For dog fouling it was agreed to ask the dog warden to undertake additional patrols in the area and that extra signage would be displayed in the parish and especially those areas that have seen the most incidents.

The district council has a public spaces protection order (PSPO) that prevents dogs from entering various playgrounds in the area. In our parish all three playgrounds are covered (Cuckney, Norton and High Holbeck). The district council has signage in place but will look into renewing those if necessary.

They will also consider tasking the council's enforcement team to patrol our playgrounds to check for people in breach of the PSPO.

Breach of a PSPO is a criminal offence and carries a fixed penalty notice of £100. Failure to comply can lead to a criminal conviction in the Magistrate's Court and a fine of £1000.

If you have any information regarding fly tipping or dog fouling please contact the district council on 01909 533533 or www.bassetlaw.gov.uk
Alternatively please inform a Parish Councillor.

Yorkshire Three Peaks Challenge

As a member of the Parish Council and more recently a newly elected Trustee of Norton and Cuckney's Village Hall - which was originally built and used as a church in 1889 in Holbeck, I hatched a plan to raise vital funds to help make the urgent repairs it needs to keep serving local residents and preserve the history and memories that have and will continue to be made within it.

To complement such an old building, I sought an equally historical physical challenge. Every year thousands of people drive up and down the country to complete 'The National 3 Peaks' Challenge of Ben Nevis, Scafell Pike and Mount Snowdon. But did you know that Yorkshire has its own version called 'The Yorkshire 3 Peaks' Challenge which is to be completed in under 12 hours? The Yorkshire 3 Peaks was created in 1887 by three local teachers who completed it in just 10!

The Yorkshire 3 Peaks themselves are actually more gruelling than the National 3 Peaks challenge, as the hike is an unrelenting 24.5 miles long, with no long rests in your vehicle in between each mountain, all while carrying a days supplies of 3L+ of fluid, food, first aid and dry kit, all in a heavy backpack.

So with that said, I signed up to complete the challenge, which would involve hiking 24.5 miles with the elevation gain of 5456m - or to put it another way, I would be hiking almost a marathon distance and climbing higher than Ben Nevis in under 12 hours.

With several months ahead, I trained hard. I walked, hiked, did circuits and swam, started the Couch to 5K App and recently completed

**Peak
One -
Pen-y-
Ghent**

my first ever Parkrun at Clumber Park.

The day dawned, 30L backpack ready, boots clean and mind strong, I started the hike the traditional route from Horton-in-Ribblesdale climbing:

Pen-y-Ghent - 694 m / Whernside -736m
Ingleborough - 723m

Before finishing back in Horton.

The day was long, the 10 miles between the first to the second mountain were even longer.

They weren't kidding about 'The Wall Of Doom' either, ascending the sheer face of Ingleborough, already fatigued and the right knee shot, I wasn't even thinking of giving up!

For most of the day, I managed to stay at the front, ahead of a large group of 20.

Guess what.... I completed the whole challenge in just 10 hours 15 mins.

The Yorkshire Three Peaks Challenge is 24-miles (38.6km) round trip route, and includes 1585m (5200ft) of ascent.

The Yorkshire Three Peaks Challenge takes on the peaks of Pen-y-Ghent (694 metres), Whernside (736 metres) and Ingleborough (723 metres), usually in this order, and in under 12 hours. These hills form part of the Pennine range, and encircle the head of the valley of the River Ribble, in the Yorkshire Dales National Park.

**£850
raised so
far!**

**Peak Two -
Whernside**

Despite my training in the last few months, conquering Scafell Pike and Ben Nevis, to name a few, this by far was the toughest single most physical challenge I've done to date in the same day.

I am proud and pleased I completed it in that timeframe, but mostly because this will raise much needed funds for our Village Hall, which I will continue to fight for.

I have been fundraising with a GoFundMe Page, which is still LIVE. Please if anyone would be kind and would like to help me save our historic. building and all the memories

**Peak Three - Did it! Success at
Ingleborough**

in it, I would be most grateful, it's a safe link and easy to use to donate.

<https://www.gofundme.com/f/raise-funds-for-cuckney-village-hall>

4.5 miles later. Back in Horton-in-Ribblesdale. Knee a bit knackered and feet covered in blisters!

St. Mary's Cuckney

Hello Residents, I'm hoping that you are feeling a sense of better weather approaching after a shallow start to summer. On a positive note, the grounds at our churches of St Mary's and St Winifred's are looking beautiful at the moment, and I am noticing a significant number of people taking a leisurely stroll along the footpaths nearby.

This month, I would just like to extend the welcome and take this opportunity to invite you to visit the churches, joining us for Sunday worship which alternates each week to also include services of Holy Communion.

Sometimes, and however much we enjoy a good walk outdoors taking in the sights and sounds of God's wonderful creation, there may be times when we feel like putting a little time aside for reflection and prayer. The Sunday services of Morning Prayer and Holy Communion that are offered enable an opportunity for us to do just that.

So, as a reminder, and if you feel that you would like to join us, I have added a note below outlining the monthly cycle of church services, all starting at 10:30 am.

Each Sunday 10.30am, followed by refreshments with the following pattern:

- 1st week St Winifred's Holy Communion
- 2nd week St Mary's Morning Prayer
- 3rd week St Mary's Holy Communion
- 4th week St Mary's Morning Prayer

Additionally, on the 3rd week of the month a more traditional service using Book of Common Prayer is offered at St Winifred's, Holbeck.

I look forward to spending more time within the community during July and the months ahead and may God's blessing be with us in all that we do this summer, whatever the weather may bring.

Nigel

Revd Nigel Stones

Curate -St Mary's, St Winifred's and St Anne's, Worksop.

Churchyard 100 Club Winners

The winners in April were

Rita Alvey (no. 27) and Robin Brown (no. 69)

The winners in May were

Edward Fenton (no. 42) and Irene Russell (no. 95)

Congratulations!

Churchyard 100 Club Subscription Renewal

The Annual Subscriptions for The Churchyard 100 Club become due in July. Those who are currently members are welcome to renew their membership. New members are also very welcome to join.

More members in the scheme means higher value prizes each month. A payment of £12 per year for each number held offers members a chance to win one of two prizes each month; the first draw of the new year takes place in August. Members must be a minimum of 16 years of age. Subscriptions can be handed to Sheila Brailsford and Margaret Rowson, if paying by cheque please make payable to Cuckney PCC.

Dog Fouling / Fly-Tipping

Enforcement Officers from Bassetlaw Council will prosecute dog-owners who persistently do not clear up after their dogs.

The Officers will patrol areas that receive the most reports via the Bassetlaw website. The more incidents that are reported, the more likely it is that something will be done. The system is simple to use; **bassetlaw.gov.uk/report-a-problem** or call the dog-fouling and fly-tipping reporting line on 01909 533533

Pot Holes and Road Issues

Reporting potholes or other road Issues couldn't be easier, thanks to the MyNotts app.

The app allows you to report most highway issues directly to the County Council. All you need to do is go online and download the MyNotts app from the Apple Store or Google Play to either your phone or tablet.

Additionally, you can call the pothole reporting line on 03001 235000.
