COMMUNITY NEWS

MARCH / APRIL 2025

FROM THE CHAIR

Cllr. Matthew Evans has written an article examining the Parish Council precept for the forthcoming year which can be found on Page 8. The good news is, despite the financial constraints we have been able to present a balanced budget and the precept will not be increasing in the next financial year.

There are two events to celebrate the 80th Anniversary of Victory in Europe Day. The details of the buffet lunch and film screening can be found on page 6 and those of the evening event, organised by the events team at Norton and Cuckney Village Hall, can be found on page 12. Information about booking places/tickets for these events can be found in the articles.

I have received a number of enquiries from residents about glass recycling and I hope the article on the next page goes some way to explaining the current arrangements.

The Parish Council will be purchasing two new noticeboards for Cuckney. We have returned to the original supplier, a craftsman who makes these solid oak noticeboards to order. Unfortunately, as a sole trader, he cannot install the noticeboards, so if anyone in the community (or you know of anyone) has the skills to install these boards - one on Jac's cafe and one at the church - please get in touch.

Thanks to some fabulous knitters and crocheters, the pile of poppies for our poppy drive is growing as we speak.

A selection of knitted and crocheted poppies. With special thanks this month to Kay Brown (who has a great stash of fabulous yarn - who else knits chenille poppies?) and Hazel Scraton (the fastest knitter in Shirebrook)

Patterns can be found in the jan/feb edition of the community newsletter but feel free to use your own. Felt poppies would be equally welcome.

Despite the piles currently sitting on my ironing board, we still need loads more. The Welbeck Crafters (formerly the WoW Craft Group) have agreed to get involved, are already knitting furiously and are dedicating one of their sessions to this project.

Knit and knatter planning sessions at Norton and Cuckney Village Hall will be announced once the Trustees have a better idea of when works on the hall will be occurring.

Please see the Parish Council or Village Hall facebook pages or the Village Hall facebook for updates on these sessions prior to the release of the next magazine.

A reminder that the Plant and Craft Fair will be returning on Saturday, 29th March from 11am to 3 pm. This event has proved very popular with stall-holders and lots of them will be visiting this event for the first time.

The Fair will also showcase the skills of the cake ladies and there will be the opportunity to try your luck with the raffle (well-worth it as there are some lovely prizes) and the tombola. Details can be found on page 5.

*Cllr. Nancy Wright
Chair*

PARISH COUNCIL CHANGE OF MEETING DATE

The Parish Council has decided to change its meeting date from the second thursday in the month to the first Wednesday to accomodate the needs of Councillors.

The next meeting of the Council will therefore be held on Wednesday, 5th March. Please see the community diary for further details.

Additionally, December meetings are poorly attended because of the busyness of the season. Therefore the Council has decided not to meet in December in future.

GLASS RECYCLING

Councillors have recently received enquiries about lack of access to glass recycling - an issue that became especially acute over the Christmas and New Year period.

The glass recycling banks used to be located in the village hall car park until a couple of years ago.

Unfortunately, when the design of both the containers and the width of the lorries changed, lorries could no longer access the village hall car park safely to deposit their load.

There are very few accessible spaces in the village in which to host such a facility.

The cricket club agreed to the placement of the recycling bins in their car park but unfortunately, this does mean that some gymnastics are needed when the cricket club gate is closed. The bins cannot be put in front of the gate as this would mean their placement on a public highway.

Residents are reminded that there is an additional glass recycling facility close by in the car park of the Jug & Glass pub in Nether Langwith.

A further reminder that if you wish to recycle unwanted clean clothing, bed sheets, towels, pillow cases and paired shoes, there is a bank in Norton and Cuckney Village Hall Car Park.

NORTON AND CUCKNEY VILLAGE HALL

The Village Hall team have made use great use of the winter months, undertaking necessary work to the building and preparing for another year of events.

Almost all of the old pipework and heating system have been removed, in preparation for the new heating system. All of the lights are now back in action until one, invariably, stops working again.

I am pleased to announce that with the support of Bassetlaw District Council, Norton, Cuckney, Holbeck and Welbeck Parish Council and the Cooperative Community Fund, the Village Hall has the necessary funds to complete the remaining priority repairs to the hall as well as redecorate in our upcoming DIY SOS event on Saturday 15th March. At the time of writing, we have had positive news on two further grants, which, if confirmed, will allow us to fully rewire the hall, install energy efficient lighting and, most importantly, have a heating solution fit for the future. We are almost there and thank you all for your support!

Within a few weeks of the Quiz Night tickets going on sale, we had sold out and had to introduce a waiting list. I'm sorry if you missed out on tickets this time, but this popular event will return and you can still support the Village Hall this month by going along to the Plant and Craft Fair at Lady Margaret Hall on Saturday 29th March.

The Parish Council will be taking care of the community's daytime VE Day celebrations, before the Village Hall

team takeover in the evening. We will be running a 1940s themed evening, with Pie and Peas (due to popular demand), a bar, music and dancing from the era. We'll also be ringing the church bells at 9pm, along with lighting a beacon to celebrate this important anniversary. There will be a short quiz and bingo, both with a theme from the era and prizes, to remember how the Second World War touched every facet of our lives. Dress from the era is optional, but encouraged, as you might just win our fancy dress competition!

Tickets will be £10 a person and will be available from myself or Jac's Café, with profits from ticket sales going to the Royal British Legion. I look forward to seeing as many of you there as possible.

This is just the start of what should be a fantastic year for the Village Hall and the community. Another reminder that we are holding a fashion show on Friday 4th July, so please contact any of the Village Hall trustees if you would like to volunteer to be a model, as it is set to be a positive, empowering and most of all fun evening.

Thank you all once again for taking the time to read this and for your continued support. I look forward to sharing further updates soon!

Councillor Charles Adams

Parish Council Announces Reduction in Precept Following Financial Stabilization

The Parish Council is pleased to announce that, following a period of financial reassessment and responsible management, it has taken the decision to lower the precept for the upcoming financial year. This decision comes after successfully resolving past financial challenges and securing a stable financial footing for the future.

A Commitment to Responsible Governance

Over recent years, the Parish Council has worked diligently to address various financial hurdles that required careful planning, strategic decision-making, and prudent budget management. Through a combination of cost-saving initiatives, improved financial oversight, and securing additional funding sources, the Council has not only overcome these challenges but has also placed the community's finances in a stronger and more sustainable position.

The resolution of these financial matters has enabled the Council to shift its focus from addressing short-term concerns to planning for long-term stability and growth. With a clearer financial outlook, the decision was made to pass these benefits on to residents in the form of a reduced precept.

Easing the Burden on Residents

The Council recognises the ongoing cost-of-living pressures faced by households and understands that every reduction, however small, can contribute to easing financial burdens. By reducing the precept, the Parish Council aims to provide some relief to local taxpayers while maintaining the high standard of services and facilities that the community relies upon.

It is important to note that this decision has been taken with careful consideration to ensure that essential services remain unaffected. The Council has implemented efficiency measures and identified areas where savings can be made without compromising the quality or availability of services.

Strategic Financial Planning for the Future

Looking ahead, the Parish Council remains committed to prudent financial management. A key focus will be maintaining a balanced budget while continuing to invest in projects that enhance the community's infrastructure and well-being. By securing stable revenue streams and managing expenditures effectively, the Council aims to avoid financial uncertainty in future years while still delivering on its commitments to residents.

The reduction in the precept marks a significant milestone for the Parish Council, reflecting its dedication to both financial responsibility and community support. This positive development is a testament to the hard work and determination of Council members, staff, and community partners who have contributed to ensuring long-term fiscal stability.

Continuing Engagement with the Community

The Parish Council remains committed to transparency and engagement with residents regarding financial matters and decision-making. Community input remains vital, and the Council encourages residents to participate in meetings, share feedback, and stay informed about future initiatives.

While the reduction in the precept may not represent a drastic change in household finances, it symbolizes the Council's commitment to supporting the community in any way possible. This step, alongside other ongoing efforts to enhance local services and amenities, reflects the Council's dedication to improving the quality of life for all residents.

Conclusion

The Parish Council is proud to deliver this positive news and remains steadfast in its commitment to responsible governance, financial stability, and community welfare. By taking a strategic and measured approach to financial management, the Council has been able to pass savings on to residents while ensuring the continued provision of essential services.

Residents are encouraged to reach out with any questions or concerns and to engage with the Council in shaping the future of the community. Together, we can continue building a stronger, more resilient, and financially secure parish for everyone.

Cllr Matthew Evans

STANDARD OF INTERNET SERVICE IN HOLBECK

It has been brought to the Parish Council's attention that the residents of Welbeck, Holbeck Woodhouse and in particular Holbeck itself are receiving a substandard Internet service via their service provider Sharp's I.T Systems.

Living in a rural area, we pay a high premium for a system which provides a very basic service. This is not acceptable in the 2020's when many have to work from home.

Multiple person households with multiple devices place too much demand on an inadequate system. Speeds are meant to be around 20mbps, but it averages at around 4mbps. The service goes down frequently, often for 1-2 hours and recently a resident has not had internet for the last 2 weeks!

1 mile away in Creswell, the Open Reach Network supports speeds of 900mbps and have fibre optic connections.

With the ever-growing demands for price increases, action needs to be taken. The Parish Council (who were involved in funding the setup of this system initially) have made seeking to resolve these issues a priority. Cllrs Gemma Palmer and Nancy Wright will be knocking on doors and surveying the issues in the coming weeks. Information needs to be obtained in order to raise our concerns with OFCOM, the District Council and our local MP.

We would like you to share your experiences with Sharp's I.T Systems, your feedback would be greatly appreciated and help support our aim of getting back Online! In the meantime, if you are able to send any details about any issues you may be experiencing, please email Nancy Wright (contact details on the back page)

Cllr Gemma Palmer

DEFIBRILLATOR NEWS

Norton is currently the only village not covered by access to a defibrillator within the recommended timescale.

This matter has been under consideration by the Parish Council for a number of years.

Power is needed to keep the defibrillator battery warm in colder weather and to power the security features and internal lights.

The old shop in Norton was considered as a site and still has power but the cabinet would have stuck out too far over the narrow pavement to be safe if placed at the front of the building and would have restricted access to residents if placed to the side.

The phone box in Norton was the only other candidate for consideration but the power had been cut off when the phone box was decommissioned.

The Parish Council Clerk has been in contact with the National Grid and work will proceed to restore the electricity supply to the phone box in Norton imminently. The phone box will be used to store and power a new defibrillator.

As with the telephone box in Holbeck, the Parish Council would be keen to support the setting up of a community library if there is enthusiasm from residents (see separate article on Page 11)

As a reminder - Cuckney's defibrillators are located at the exterior of the Cricket Club and at the front of the Greendale Oak.

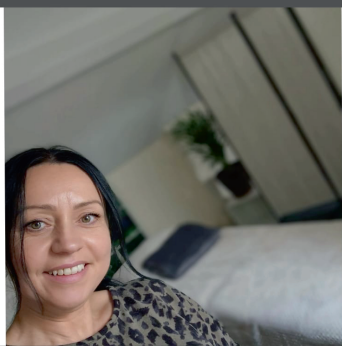

Holbeck/Welbeck's are at Lady Margaret Hall, the Welbeck Farm Shop and on the exterior of the old post office in Holbeck Woodhouse.

HOLBECK TELEPHONE BOX

The telephone box in Holbeck is being decommissioned and the Parish Council has received an offer to purchase it for £1.

Given this, the Council has decided to purchase the box and is considering innovative ideas about what to do with it.

The most popular idea on the table is the setup of a community library, although this will need considerable work.

If you would be interested in leading or assisting in the setup of a community library, please feel free to contact a Councillor.

Evening to end with a peel of church bells and the lighting of a beacon

A POEM FOR SPRING

Hello to all at Norton, Cuckney,
Holbeck and Welbeck, hoping all is
feeling a bit more pleasant as the
daylight increases each day.

We are now well into the beginning
of 2025 and signs of spring are making
an appearance as everything starts
to prepare for Spring.

It's wonderful to see how nature
plots its own course and I think this
is an encouragement for us to
witness how God's creation is
always resilient no matter how much
we try to intervene.

Sometimes when the days appear
brighter and everything seems to
start waking up, it may encourage us
to take a moment to one side in quiet
reflection.

Mindfulness, we are told, is good for
our mental wellbeing and I am a big
believer in this as I often practice it
as part of my spiritual life in following
Christ.

This has prompted me in this
publication to share with you a
beautiful poem that one of our
parishioners in Holbeck, Terry
Thompson, wrote just recently very
early one morning.

Terry has served as a faithful
Church warden for St Winifred's and
has also been a loyal servant to the
community for many years.

Her words in this poem are therefore
both wise and deeply comforting, a
tonic we may all need in the times
when we can feel weary and in need
of some refreshment :

What is God Like ?

God is like my old geranium,
A friendly face to borrow;
Not a morning Glory,
here today and gone tomorrow.

God is ever faithful;
God is always true,
Just take a moment to talk to Him;
He will come to you.

In winter take him in with care;
In spring you'll find He'll still be there,
In summer know the joy of Him;
In autumn give him rest.

No matter what the season;
A true friend is the best,
That is what God is like -
A true friend.

Terry Thompson

Take care everyone,

Rev'd. Nigel Stones

CHURCHYARD 100 CLUB WINNERS

The winners in December were
Angela Bierton (no. 12) and Vanessa
Morris (no. 49)

The winners in January were
Cathy Harrison (no. 21) and David
Ibbotson (no. 59)

Congratulations!

ST MARY'S ANNUAL PAROCHIAL CHURCH MEETING AND NEW ELECTORAL ROLL

The meeting will be held during the service on Sunday, 16th March at 10.30 am. This is when we elect our Churchwardens and members of the Church Council. This year we are required to renew the Church Electoral Roll. This is done every six years. Every one who wishes to be listed on St. Mary's or St. Winifred's rolls needs to complete a new application form. St Mary's new roll will come into operation on March 2nd and St Winifred's on March 23rd.

St Mary's forms are available from Sheila Brailsford and should be returned as soon as possible. St Winifred's are available from Sheila Smith.

Cllr Sheila Brailsford

THE HISTORY SOCIETY

In February, Mark Dawson gave a fascinating talk about the history of Henderson's Relish.

The March speaker is Chris Weir whose talk is entitled 'Secrets & Mysteries of Nottinghamshire' and in April we have Steve Wright telling us about 'The Mining Memories of Creswell & Mines of Nottinghamshire'.

Both meetings to be held at Cuckney Cricket Club on the second Monday of the month with the usual charge of £5 which includes light refreshments, all guests are welcome.
