COMMUNITY NEWS

MARCH/APRIL 2026

IN THIS EDITION

2026 Community Litter Pick

Join us for a community litter pick on Saturday 4th April and help keep our villages clean and welcoming. Equipment can be collected from Norton and Cuckney Village Hall from 10am, and all volunteers are warmly invited to enjoy hot drinks and cakes after taking part. Our thanks go to Kev and Amy Hall, who are providing the refreshments. Everyone is welcome — bring friends, family, and a community spirit! Please let me know if you are able to come as we need to make sure that resources are fairly distributed across the Parish.

Parish 100

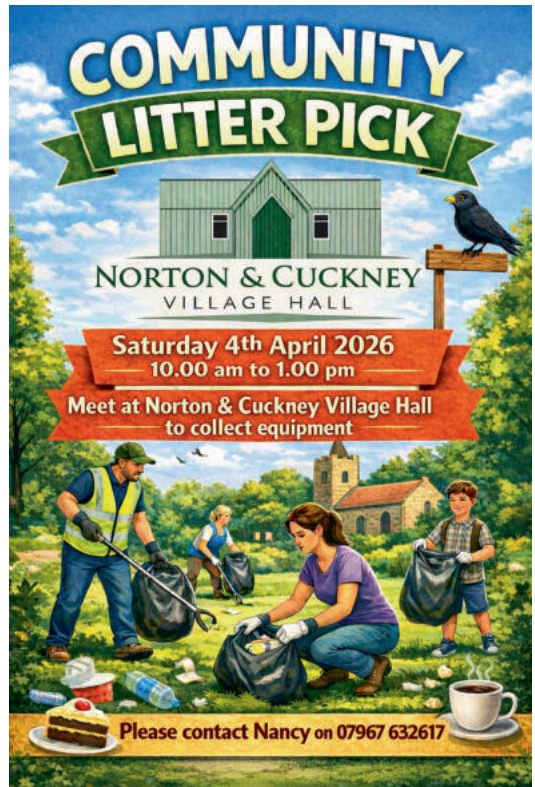

News this month of an exciting new fundraising initiative. The Parish 100 will see residents and friends collectively walking 100 miles in 1 day to raise funds for our Village Hall. Walks of varying lengths can be selected to please all sorts - from family groups to the hardened trekker. Gemma gives you all the details of how to register on pg 6.

Welbeck Bowls Club

The Bowls Club are reaching out as they are looking to recruit new members. For a history of the club, details of meetings and who to contact, see pg 14.

March Full Council Meeting

The Parish Council will be having a much shorter meeting in March as Norton and Cuckney Village Hall is ungoing some renovation works. Conor Marples will be giving further information on this exciting news on pg 5.

The Battle of Hatfield Investigation Society

Residents are invited to BOHIS's 22nd meeting and Annual General Meeting on Thursday 13th March at 7:30pm at Norton and Cuckney Village Hall. Entry is free.

The society researches and shares knowledge about the Battle of Hatfield and its significance to the local area through fieldwork, guest speakers and collaborative projects. The evening will include a presentation by David Budge of MERCIAN CIC on findings from the 2020 fieldwork, updates on new search areas, and news of artefacts selected for isotope testing. Further details from Paul Jameson on pg 9.

VILLAGE HALL UPDATE

As this Parish Newsletter is being distributed, Norton and Cuckney Village Hall is undergoing a major refurbishment, including the installation of a new kitchen that will offer improved facilities for everyone who uses the hall. This work would not have been possible without the continued support of our local community and our grant provider, Landfill Communities Fund. I would like to thank everyone involved as we complete this significant project.

Throughout the winter months, the Village Hall has remained open for hire thanks to the new heating system installed last year. While winter weather still brings challenges, this was another important step forward and we will continue working to provide a venue that meets the needs of all who use it. I would also like to thank the Parish Council for supporting the installation of our new internet system, bringing Wi-Fi to the hall — another essential facility in the modern age.

We are now turning our attention to the toilets and improving accessibility. This is an area we will consider carefully to ensure we make decisions that not only address current challenges but also provide the best long-term solutions.

As spring arrives, so too do our fundraising efforts. We look forward to seeing those of you who have secured tickets for our Quiz Night on Friday 20th March, and to welcoming many of you to our annual Plant and Craft Fair at the Lady Margaret Hall on Saturday 25th April. Thank you in advance for your support, and to all the volunteers who give their time to make these events such a success.

Thanks to the support of the Women of Welbeck, we will also be holding our first community film night of the year on Saturday 16th May at 7pm. The theme is “The Italian Night”, featuring a screening of the original *Italian Job*, with pizza available to purchase from local caterers. There will also be a bar and popcorn on the night. Tickets are available from Jac’s Café or through Nancy, with further details on Page 3.

In June, we will be hosting the Parish 100 on Saturday 20th June. Gemma has written a great article explaining this fantastic initiative, so whether you choose to walk or run, be sure to treat yourself to a cake and a drink afterwards.

Back by popular demand, we will once again be teaming up with the Church to transform the aisle into a catwalk at St Mary’s. Our summer fashion show takes place on Friday 5th June at 7pm, so come along, support our local models and pick up a bargain. Refreshments will be available, along with a raffle on the night. Please contact one of the trustees or visit Jac’s Café to purchase tickets.

We are also sharing details of events planned for later in the year, including quiz nights, our Autumn Craft Fair, and wreath-making workshops at the Village Hall, which can be booked now. Save the dates, and if you have any questions or requests relating to the Village Hall, please do get in touch. Thank you, as always, for your continued support — we look forward to seeing you soon.

Conor Marples, Chair

PARISH 100

Parish 100 Challenge 2026 : Village Hall Challenge Set for June

Residents, families and friends across the parish are being invited to take part in Parish 100 – 2026, an annual charity fundraiser centred around community spirit, wellbeing and the great outdoors.

The event will take place on Saturday 20 June, starting and finishing at Norton & Cuckney Village Hall. Participants will meet for a briefing at 8:00am, set off from between 8:30am and 10am, and the event will run until approximately 6:00pm. If anyone wishes to take part arriving after 10:00am, clear printed instructions with maps will be left at the hall for them to follow. **Registration closes on Friday 5 June.**

A shared challenge for a local cause

The aim of Parish 100 is simple but ambitious: over the course of a single day, participants will collectively complete at least 100 miles around the parish, all in support of Norton & Cuckney Village Hall.

Routes will showcase some of the area's most scenic surroundings, including the Welbeck Estate, Creswell Crags, Warsop Woodlands and Clumber Park. The full parish perimeter stretches 34 miles, and organisers hope the event will highlight the beauty of the local landscape while bringing the community together for a good cause.

Open to everyone

Parish 100 is designed to be inclusive and accessible. Walkers and runners of all abilities are welcome, and dogs can join too, provided they are kept on leads. Participants can take part individually or as part of a group.

Organisers note that all participants are responsible for their own safety and wellbeing while taking part.

Flexible routes

All routes will begin and end at the Village Hall, forming circular loops. **Participants can choose from distances of 1, 3, 5 or 10 miles**, allowing people to take part at a level that suits them. Final route details will be confirmed by the end of April, with downloadable OS maps provided and route leaders available on the day. Car parking will also be available at the Village Hall.

How to take part

Entry costs are kept low to encourage as many people as possible to join:

- £5 for individuals
- £10 for families

To register, participants should donate via the event's GoFundMe page and then confirm their place with organiser Gemma Palmer by providing the names of participants, entry type and chosen distance.

While not compulsory, suggested sponsorship targets are around £40 for individuals and £60 for families, with all funds raised going towards the upkeep and activities of Norton & Cuckney Village Hall. Organisers emphasise that every contribution—large or small—makes a meaningful difference.

A warm welcome at the finish

After completing their route, participants will return to the Village Hall "base camp" for refreshments, a friendly reception and a commemorative badge marking their Parish 100 achievement.

With its mix of fresh air, local scenery and community pride, Parish 100 promises to be a highlight of the summer calendar and a powerful reminder of what can be achieved when a community comes together.

THE BATTLE OF HATFIELD INVESTIGATION SOCIETY (BOHIS)

Residents are warmly invited to support BOHIS by joining us at our 22nd meeting and Annual General Meeting on Thursday 13th March at Norton and Cuckney Village Hall. The meeting begins at 7:30pm and entry is free.

BOHIS focuses specifically on researching and sharing knowledge about the area's most significant historic event — the Battle of Hatfield — and its importance to the local landscape and community. Through fieldwork, guest speakers and collaborative research, the society helps residents learn more about

where the battle took place, what has been discovered so far, and how ongoing investigations continue to shape our understanding of this pivotal moment in history.

Membership is just £10 per year, and we would love to build on last year's total of around 30 members by welcoming new people with an interest in the battle and its legacy.

The evening will feature a presentation from David Budge of MERCIAN CIC, who will share his extensive finds report from our 2020 fieldwork connected to the battle site. These discoveries are helping to build a clearer picture of events and the people involved, and members will hear first-hand how this research is progressing.

Cont.../

BOHIS visit the Wirral Archaeology Group at Poulton Hall, Wirral (November 2023)

We will also discuss newly requested search areas, giving members the opportunity to be part of future investigations.

In addition, three artefacts have been selected for isotope testing — kindly arranged at no cost thanks to Dr Stephen Harding — which may reveal further details about their origins and links to the conflict. We will also talk about the potential development of a programme focusing on the battle, helping to share this important local story with a wider audience.

If you have an interest in the Battle of Hatfield and want to learn more about the history beneath our feet, you will be made very welcome.

Paul Jameson

COUNTY COUNCIL UPDATE

An Update on Potholes

Local roads have been a frequent topic of conversation recently, and it's understandable why. In this article, I'd like to share some key facts about the current situation and offer reassurance about the work planned to improve our road network.

To begin with some context: the County Council is responsible for road assets valued at around £1 billion, and currently about 38% are rated red or amber, meaning they require significant repair. Highways modelling suggests that road conditions are depreciating by around £90 million each year, while approximately £45 million is being invested annually. These figures help explain how the current challenges have developed. In truth, even we were surprised by the scale of the issue once we began looking closely at the data.

Nottinghamshire County Council maintains a vast network, including around 2,750 miles of carriageway, 96,000 streetlights and 1,800 miles of public rights of way. Estimates suggest that a one-time programme to bring roads fully up to standard could take as long as 12 years. While there are some concerns on A and B roads, the greatest challenges are on unclassified local roads.

Traditionally, repairs have included surface dressing, micro-asphalt treatments and full resurfacing or reconstruction. The current approach aims to focus on fixing roads properly the first time, taking a "whole road" approach wherever possible. By 31 December 2025, 16,813 potholes had been repaired as part of this ongoing work.

We are also trialling new technology, including a JCB one-stop pothole repair machine, to improve efficiency and deliver longer-lasting results for residents. This equipment allows teams to complete repairs more quickly and effectively on site, reducing the need for repeat visits and helping to minimise disruption. It supports our wider goal of getting repairs right first time and taking a "whole street" approach wherever possible, rather than dealing with isolated patches that may deteriorate again soon after. However, it's important to be honest: this will not be a quick fix, and meaningful improvements to the overall condition of the network will take time, sustained investment and continued planning.

LEARN TO DRIVE WITH GEMMA

Committed to
providing excellence
in driver training to
learner and advanced
drivers

GEMMA PALMER ADI

gemmapalmer.co.uk

07305 832402

In the meantime, we ask for patience and understanding while this work is carried out. We know road conditions can be frustrating, but our crews are working hard every day to make improvements.

Unfortunately, frustration has sometimes led to unacceptable behaviour towards roadworkers, including verbal abuse and even incidents such as spitting or attempts to force entry into work vehicles. These teams are carrying out essential work in often difficult conditions and deserve courtesy, respect and support from the communities they serve.

If your vehicle has been damaged as a result of a pothole, you can report the issue and submit a claim using the MyNotts app. Further information and guidance on the process are also available by emailing; risk.insurance@nottssc.gov.uk.

We hope this provides some helpful background and context to what is, for many people, a very frustrating situation. If you would like to get in touch directly, share concerns, or raise a specific issue, you can contact me at;

THE WELBECK ABBEY BOWLS CLUB

Roll Up!

A Local Tradition Welcoming New Members

Welbeck Bowling Club was established in 1905 at the request of estate workers who wanted a place to play flat green bowls. More than a century later, the club remains on the very same ground, continuing a proud local tradition.

Unlike many modern greens laid with specialist turf, the Welbeck green began life as a simple field generously given to the workers, who transformed it into a bowling green. Over the years it has been carefully rolled, seeded, tended and cut, yet it still retains its original field grass. Maintained entirely by our members and cut twice weekly, it is widely regarded as one of the finest flat greens in the north of the county.

The club once had around 60 members, but numbers have gradually declined and we are now a small, friendly group of fewer than 20. We host internal matches and friendly games with other clubs, and members can enjoy bowling up to seven days a week during the season, weather permitting. Our main playing day is Sunday afternoon, when members regularly meet for relaxed and enjoyable games.

The green is currently closed for the winter period and will reopen on 12th April, when we look forward to welcoming both returning and new

players.

Our Honorary President is the Rt. Hon. Mr William Parente and throughout the season members have the opportunity to compete for trophies, which are presented at our annual dinner each October.

One of our biggest challenges is simply being seen. Our location means many local residents are unaware we exist, and we are unable to put up roadside signs — so we rely on word of mouth and community support.

If you're looking for a fun way to stay active, enjoy the outdoors, and meet friendly people, bowls could be just the thing. You don't need any special equipment to get started — just a pair of flat-soled shoes and a willingness to give it a try.

If you would like more information, please ring Beth Wood and she'll be happy to help and answer any questions you might have.

We would love to welcome new members from the community. Come along and discover a local club with over 100 years of history and a very warm welcome waiting for you.

HOLBECK PHONE BOX

The Holbeck phone box will soon be removed, but we're pleased to say the Parish Council has purchased it to keep it in the village for community use.

We'd really love to hear your ideas on how it could be used to benefit both residents and people passing through. It doesn't have to serve just one purpose — it could host a few different uses, perhaps changing over time.

Please share your thoughts and suggestions via the Facebook page or by speaking to a Councillor. We're looking forward to hearing your ideas and working together to make it something the whole community can enjoy.

Cllr. Jackie Cuckson

THE HISTORY SOCIETY

On Monday March 9th , Pat Smedley is giving a talk on the Life of Florence Nightingale and on Monday April 13th Bob Massey will talk about The History of Policing.

As usual these talks will take place at Norton & Cuckney Village Hall starting at 7.30pm, admission charge £5 to include light refreshments. Non-members are most welcome to attend.

Richard Bower

Out of the Wilderness and into New Beginnings

We are now well into the season of Lent, so hopefully you are all coping well with your Lent expectations whilst looking forward to the hope of Easter and what that may bring.

Lent and Easter sit side by side in the Christian year like winter and spring—different seasons, yet impossible to separate. Lent invites us to slow down, to look honestly at our lives, and to make space for God. We were able to do this together at our Ash Wednesday service held at St Mary's church during February.

However, Easter bursts in with light and colour, reminding us that God's love is always moving us toward renewal. Together they tell the story of a God who meets us in our dust and leads us into hope.

Lent is often misunderstood as a gloomy season, a time of just giving things up, but at its heart it is a time of clearing the ground. Just as gardeners prune, dig, and prepare the soil long before the first shoots appear, Lent encourages us to tend the deeper landscape of our hearts. It's a season for reflection, for prayer, for noticing what needs healing or letting go. Many of us carry burdens—grief, worry, exhaustion, or simply the weight of busy lives. Lent gives us permission to pause and breathe.

And then comes Easter - not as a sudden escape from reality, but as God's quiet assertion that life has the final word. The first Easter morning began in confusion and tears. Mary Magdalene came to the tomb

expecting only sorrow yet found that God had already been at work in the darkness. Resurrection didn't refuse her grief; it transformed it. That's the pattern of Christian hope—not pretending everything is fine but discovering that God can bring new life even from the places we thought were finished.

We see glimpses of this here in our own communities. In the neighbour who checks in on someone lonely. In the families who carry loss yet still choose to love. In the sturdy faithfulness of our churches and the strength in our communities, where togetherness and hope walk hand in hand.

If we only allow ourselves to recognise it, these are quiet signs that God is still breathing life into the world.

As we finish our journey through Lent and move into Easter this year, why not allow yourself to walk the whole road: the honesty of Lent, the courage of Holy Week, and the joy of Easter morning. All are welcome to join us at our Maundy Thursday service at St Winifred's church Holbeck, starting at 7pm on the 2 April, followed by our Easter Sunday Holy Communion service at St Mary's church starting at 10:30 am.

May the peace and hope of the risen Christ be with you in this season of reflection and renewal.

Rev'd Nigel

Dog Fouling / Fly-Tipping

Enforcement Officers from Bassetlaw Council will prosecute dog-owners who persistently do not clear up after their dogs.

The Officers will patrol areas that receive the most reports via the Bassetlaw website. The more incidents that are reported, the more likely it is that something will be done. The system is simple to use; **bassetlaw.gov.uk/report-a-problem** or call the dog-fouling and fly-tipping reporting line on 01909 533533

Pot Holes and Road Issues

Reporting potholes or other road Issues couldn't be easier, thanks to the MyNotts app.

The app allows you to report most highway issues directly to the County Council. All you need to do is go online and download the MyNotts app from the Apple Store or Google Play to either your phone or tablet.

Additionally, you can call the pothole reporting line on 03001 235000.
